### **Calculation of the Purchase Price and Acceptance of Risk Factors**

The purchase price of Shares under the Offer will be 1.6 cents, being a 15.0% discount to the VWAP of the Company's shares on ASX during the 5 trading days immediately prior to the date of the announcement of the Plan.

On the trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was 1.8 cents. The market price of the Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your application under this Offer.

By making an application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the purchase price is at a discount to the market price at the time of the announcement of the Plan, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the number of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial advice in relation to the Offer and consider price movements of Shares in the Company prior to making an application under this Offer.

The maximum number of Shares that may be issued pursuant to this Offer is 500,000,000. In the event of an oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back all applications on a pro-rata basis.

If the Company rejects or scales-back an application or purported application, the Company will promptly refund to the shareholder the relevant application monies, without interest.

**Shareholder Share Purchase Plan - Terms and Conditions**

**Purpose**

The Shareholder Share Purchase Plan (**the Plan**) offers each shareholder of Austin Exploration Limited (**Company**) the opportunity to acquire up to a maximum of \$15,000 additional fully paid ordinary shares in the Company (**Company Shares**) (when combined with any shares issued under any share purchase plan in the 12 months preceding the date of the Plan) at 1.6 cents per share (being an 15.0% discount to the volume weighted average market price of Company Shares on the financial market operated by ASX Limited (**ASX**)) without the need to pay brokerage costs and without the need for Company to issue a Prospectus, upon such terms and conditions as the board of directors of Company, in its absolute discretion, sees fit.

**Shareholders eligible to participate**

Eligible shareholders of Company Shares that are recorded on the Company's share register with an Australian address at the relevant record date may participate in the Plan. Due to foreign securities laws, it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these terms and conditions. Offers made under the Plan are non-renounceable (i.e. eligible shareholders may not transfer their rights to participate in the Plan).

An offer may, at the discretion of the directors of Company, be made under the Plan once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12 month period is \$15,000. The directors of the Company may also determine in their discretion the minimum amount for participation, the multiple of Company Shares to be offered under the Plan and the period the offer is available to eligible shareholders.

**Custodians, trustees and nominees**

If you are an eligible shareholder and hold the Austin Exploration shares as a custodian (as defined in ASIC Class Order CO 09/425 (refer below) (**Custodian**) or in any more specific ASIC relief granted to the Company in relation to the Plan), you may apply for up to the maximum of new Shares for each beneficiary for whom you act as custodian provided you annexe to your Entitlement and Acceptance Form the certificate made available by the Company (**Custodian Certificate**) certifying:

- a) either or both of the following:
  - i. that the Custodian holds Shares in the Company on behalf of one or more Participating Beneficiaries that are not custodians;
  - ii. that another custodian ("Downstream Custodian") holds beneficial interests in Shares in the Company on behalf of one or more other persons (each a "Participating Beneficiary"), and the Custodian holds the Shares in the Company to which those beneficial interests relate on behalf of the Downstream Custodian or another Custodian,

on the Record Date and that each Participating Beneficiary has subsequently instructed the following persons:

- iii. where subparagraph (i) applies – the Custodian; and
  - iv. where subparagraph (ii) applies – the Downstream Custodian;
- to apply for New Shares on their behalf under the SPP;
- b) the number of Participating Beneficiaries;
  - c) the name and address of each Participating Beneficiary;
  - d) in respect of each Participating Beneficiary:
    - i. where subparagraph (a)(i) applies – the number of Shares in the Company that the Custodian holds on their behalf; and
    - ii. where subparagraph (a)(ii) applies – the number of Shares in the Company to which the beneficial interests relate;
  - e) in respect of each Participating Beneficiary:
    - i. where subparagraph (a)(i) applies – the number or the dollar amount of New Shares or interests they instructed the Custodian to apply for on their behalf; and
    - ii. where subparagraph (a)(ii) applies – the number or the dollar amount of New Shares or interests they instructed the Downstream Custodian to apply for on their behalf;
  - f) there are no Participating Beneficiaries in respect of which the total of the application price for the following exceeds \$15,000:
    - i. the New Shares applied for by the Custodian under the Plan in accordance with the instructions referred to in subparagraph (e); and
    - ii. any other shares in the class issued to the Custodian in the 12 months before the application as a result of an instruction given by them to the Custodian or the Downstream Custodian to apply for shares on their behalf under an arrangement similar to the Plan;
  - g) that a copy of the written offer document was given to each Participating Beneficiary; and
  - h) where subparagraph (a)(ii) applies – the name and address of each Custodian who holds beneficial interests in the shares in the class held by the Custodian in relation to each Participating Beneficiary.

In providing a certificate under this clause, the Custodian may rely on information provided to it by the Participating Beneficiary and any Custodian who holds beneficial interests in the shares in the class held by the Custodian.

For the purposes of ASIC Class Order CO 09/425 you are a 'custodian' if you are a registered holder that:

- holds an Australian financial services licence that allows you to perform custodian or depository services or operate IDPS accounts;
- is exempt from holding an Australian financial services licence by virtue of Class Order CO 03/184 or by relying on the Australian financial services licence of your master custodian under regulation 7.1.06(k) of the *Corporations Regulations 2001*;
- is a trustee of a self managed superannuation fund;
- is a trustee of superannuation master trusts;
- is a responsible entity of IDPS like schemes;

- is noted on the Company's register of members as holding the shares on account of another person.

If you hold Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner describes above. In this case, the rules for multiple single holdings (above) apply.

Custodians must request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request Custodian Certificate and if you would like further information on how to apply, you must contact Computershare Investor Services Pty Limited at any time from 8.30am to 5.00pm (AEST) Monday to Friday on 1300 556 161 (within Australia) or +61 3 9415 4000 (outside Australia) during the Offer period.

The Company reserves the right to reject any application for Plan Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. The Company reserves the right to reject applications in accordance with these Terms and Conditions.

### **Price of Company Shares**

The price of Company Shares to be issued under the Plan will be 1.6 cents per share, being a 15.0% discount to the volume weighted average market price of the Company's shares on ASX during the 5 trading days immediately prior to the date of announcement of the Plan.

### **Applications and Notices**

At the discretion of the directors of the Company, the Company will send eligible shareholders a letter of offer and acceptance procedures, inviting them to subscribe for Shares under the Plan, and accompanied by the terms and conditions of the Plan and an entitlement & acceptance form. Applications will not be accepted after the closing date of an offer. Over subscriptions to an offer may be refunded without interest.

Notices and statements made by the Company to participants may be given in any manner prescribed by its Constitution.

### **Scaleback**

The maximum number of Shares that may be issued pursuant to this Offer is 500,000,000. In the event of an oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back all applications on a pro-rata basis.

### **Placement of Shortfall**

Any shortfall from the Offer may be placed at the offer price at the discretion of the directors of Austin.

### **Issue of Shares**

Shares to be issued under the Plan will be issued as soon as reasonably practicable after the closing date specified by the Directors of the Company in the relevant offer.

Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in the Company from the date of issue.

Written confirmation of the issue of Plan Shares will be issued in respect of all Shares issued under the Plan. The Company will, promptly after the issue of Shares under the Plan, make application for those Shares to be listed for quotation on the official list of ASX.

### **Modification and Termination of the Plan**

The Company may modify or terminate the Plan at any time prior to the issue of the Plan Shares. The Company will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination. Without limiting the above, the Company may issue to any person fewer Shares than the person applied for under the Plan if the issue of the Shares applied for would contravene any applicable law or the Listing Rules of ASX.

### **Dispute Resolution**

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these terms and conditions. The powers of the Company under these conditions may be exercised by the directors of the Company or any delegate of the directors of the Company.
