Dear Adrian,

**TRADING HALT**

Security Code: AKK

Austin Exploration Limited ("Austin") (ASX:AKK) has identified a typographical error in the letter that was sent to the ASX relating to the Trading Halt.

The Trading Halt was requested until the release of drilling results, unfortunately the last sentence referred to an announcement of a capital raise.

The Company confirms there is no capital raise being contemplated by the Company and the Trading Halt is purely related to the future announcement of drilling results.

Yours faithfully
